

GRADUATION PROJECT PROPOSAL

Student:

Name: Rebecca Hunter English Teacher/Block: Belanger/4

Potential Mentor's Name: Aquarium Worker Profession/Expertise: Aquarium Worker

Mentor's Contact Information: _____

Graduation Project Topic: Captivity of marine animals

Issue (Write as a question or use the words compare/contrast in the sentence): Should the captivity of marine animals be allowed for our enjoyment?

Rationale for topic selection (books, people, and experiences relevant to topic): I chose this topic because I want to go into marine biology and this interests me

Knowledge expected to be gained from research: I expect to learn about the captivity of animals and how the captivity affects them and what is bad for them

Detailed description of Product (location, expenses, materials needed, etc.): I plan on volunteering at the aquarium and not only helping take care of the animals but observing how the captivity affects them.

Community Involvement: I will do a survey on what visitors who visit the aquarium there.

Explanation of expected learning stretch: I haven't done anything similar and I'm interested to learn how captivity affects the animals

Student Signature and Date: Rebecca Hunter 9/3/2012

Parent/Guardian:

The parent should describe why he or she thinks the Research Topic the student has chosen is appropriate for him or her. What does the student already know about the topic? How will this research build on or create new knowledge for the student?

Rebecca wants to become a marine biologist when she grows up. She doesn't know very much about this ^{subject} topic but I know that this research will give her needed background knowledge.

Parent Signature and Date: Bonnie Hunter
